Guide to Filling the Undergraduate Application Form (2025)

The following document contains a step-by-step walkthrough of the Application Form. You may check the Instruction Manual while filling out your application form for more details on each section. Upon successful registration, you will receive an email to verify your email address. You will then receive a username and password to log in to the application portal. The application form has fourteen sections, including the "Admissions Policies", "General Instructions", and "Declaration" sections. Begin your application by thoroughly reading the Admissions Policies to ensure you are following all instructions.

Although you will be required to complete a particular section by pressing **"Next"** to move on to the next section, you may always return to previously completed sections through the navigation bar at the top. The **"Save & Exit"** button saves the information entered and returns to the **"All Application Form(s)"** screen. You may click "Save & Exit" in case you wish to gather any information or documents before completing your application.

In case of any queries, while filling out the application, you may check for the following

a. **Mandatory/ Optional indication**: The red star (*) next to any textbox is an indication of a mandatory section. If a text box does not have the red star, you may choose to write information that applies to you.

b. **Information boxes**: You will be able to see additional clarifications about the information required through **pop-over boxes** over certain sections. You may also be able to access details through an information button **(i)** containing further information wherever applicable.

c. **General Application Queries (Non-technical)**: In case of any case-specific queries that you believe are not answered by the above information boxes, you may write to ugapply@ashoka.edu.in and our representative will get in touch with you. Prepare your application with adequate time, so we can assist you in resolving your queries.

d. **"Any Queries? Ask us" (Technical)**: In case of any application errors or glitches with your application, you may raise a query through the section available at the bottom right of the page. In this case, your query will be responded to through the application portal itself (through the "My Queries) section on the left of the application portal.

Standardized Tests

- If you have ACT, SAT, or CUET score(s), we highly recommend that you share them with us as they will add to your application.
- Our SAT DI code is 7343. Students who take the SAT should submit their scores by using the aforementioned code to designate Ashoka University as a recipient. Please note that the College Board does not charge additional fees to formally send SAT scores to Ashoka University. We accept SAT super scores but do not consider subject-specific SAT scores.
- We do not accept ACT super scores.

- If you have already taken your CUET in a previous academic year, you can submit your scores and attach the official results. If you are considering or intending to take the CUET or are awaiting your scores, you may express that and the Admissions Committee will send you a link should they require you to submit your CUET scores at a later date.

Non-Academic Activities and Engagement

- You must fill 3 non-academic activities/ engagement/ interests/achievements and list them in this section
- Your engagement with this section will greatly add to your Application Form so please prioritise your activities and areas of interest and engage with all the fields in this section
- You can choose to mention extracurricular activities, internships, leadership roles, awards, engagement with social causes, or any other form of engagement that will highlight your keen interest in areas outside of academics
- Attaching relevant certificates/collaterals is highly encouraged and will strongly add to your Application Form. If you have more than one certificate/collateral for a particular activity, please combine all your relevant certificates/collaterals and attach them as one file (preferably as a PDF file)
- This section has a mandatory question to list three books (with an option to add two more) that have had an impact on you. Please address this question thoughtfully and prioritise the books (preferably across genres) that you have read and engaged with in detail.

Non-Academic Activities And Engagement

Please use this section to write about the non-academic interests that occupy your time apart from your academic pursuits. Since you can only write about three activities, we recommend that you prioritize and mention the ones that have been the most significant and meaningful.

This section can include your extracurricular activities, leadership roles, non-academic awards, internships, community or social service, as well as non-quantifiable/non-certifiable activities such as reading, baking, hiking, cooking, etc. You may also use this space to provide links to your work (GitHub, Behance, Dribbble, etc), websites, blogs, relevant photos, etc, apart from attaching your certificates.

Please note: if you have participated in any activity at the level of inter-school engagement and above or participated in a position of leadership, it is mandatory for you to submit a certificate. If the activity mentioned by you is at a 'Practice/Personal' or 'School' level and you do not have any supporting document/link/collateral/photographs/certificates/ etc., please upload a pdf word-document stating the non-availability of these.

Essays

- The essay section of the Application Form is mandatory and needs to be answered by the applicant only
- Both prompts are mandatory. For prompt 1, you can choose between **Topic A** or **Topic B** based on your preference. Respond to all parts of each prompt in a thorough and detailed manner within the mentioned word limit
- Type out answers to the essay section first in a software (word document, notepad, etc.) that supports text instead of typing it out directly on the Application Form. This will ensure that you do not lose any text because of technical glitches or connectivity issues
- The essay section aims to understand how you think and to get to know you beyond the scope of your academic and non-academic participation and performance. You must produce original content that best represents yourself. If your content is found to be plagiarised or copied from elsewhere, it will render your Application Form not-eligible

Essays

The essay section has two mandatory prompts that you are required to address. Please respond to all parts of the prompts with relevant details, within the mentioned word limits. We assure you of our confidentiality.

In prompt 1, we would like to have insights about what interests you and how you engage with them, in order to understand how you think. In prompt 2, we would like to get to know more about your life-journey, in order to understand you in a more holistic and meaningful manner.

1. We want to understand how you think, reflect, and engage with yourself and the world around you. Choose one of the following two options for your first essay that you wish to write about and provide a well researched response. (400 words) *

● Topic A
○ Topic B

In the course of an Ashoka education, you will learn to unlearn and question opinions and beliefs that are important to your community and/or to you. Reflect on an important belief or opinion that you previously held, which you questioned and examined. What initiated your thinking? What different points of view did your research reveal? What was the final result? *
